- We had a great time in this lovely cottage. Everything was neat and tidy and even better than we expected. Swerford is so nice and authentic. One week is not enough to visit all the beautiful villages and towns, but we managed to visit Chipping Campden, Cirencester and Oxford on sunny days. On Thursday, due to rain, we decided to visit the MAD Museum in Stratford. The children had a great time, so it's not just Shakespeare alone that's interesting there. A fantastic week holiday that's ended now, but we'll return home with wonderful memories. H family, Netherlands, 15 August 2015

- The first word which comes to my mind concerning the cottage is Peace. A peaceful village with its beautiful old church and graveyard, far away from the mad world with its wars and its obsession with money....Unforgettable holidays in a dreamful place. G family, France, 27 July 2015

- We had a lovely week in this beautiful village. Quiet and peaceful, it's nice to sit in the garden and hear only birds, the church clock, or cows. The Cotswolds are beautiful, we visited lots of places. Of course Oxford, but also the Slaughters, the Rollright Stones, etc. The cottage is well-equipped and cosy. We enjoyed ourselves. Thank you. E family, Netherlands, 27 June 2015

- We have thoroughly enjoyed our time in your lovely cottage. My parents visited for a couple of days and loved the cottage also. It is really large and well-equipped. During our week we have visited many places – mainly animal places for our little girl Annabelle. She loved her holiday – particularly the children's play park up the road – that she was lucky enough to have to herself every time we went. The Earm Shop is lovely – shame it was only open once during our stay. Thank you for a lovely holiday. F family, West Midlands, England, 30 May 2015
- We have enjoyed our stay in your wonderful cottage very much. We wish our holiday would be longer in time, thank you. Mrs and Mrs E, Germany, 23 May 2015

Today we went to Oxford, a nice city! Thank you for everything. The house is very cosy and comfortable. - We had a wonderful time – the perfect English cottage! Mrs and Mrs Ri.. and Mr and Mrs Ru.., Texas and New Hampshire, USA 26 April 2015
- The cottage was everything we were hoping it would be. It's rustic, it's secluded, but it's got all the modern conveniences. The weather was great, we thoroughly enjoyed ourselves. F family, Melbourne, Australia, 17<sup>th</sup> April 2015
- A fairytale-like cottage in a wonderful scenery. It's easy to see where Tolkein got his inspiration. We enjoyed a lovely week here, and we had good luck with the weather. Wished it had lasted longer, though! V-S family, Belgium, 11 April 2015
- Thank you so much for sharing your cottage with us. It is exactly what we had hoped for and more. The cottage and the area are so idyllic. Thoroughly enjoyed touring the Cotswolds back roads. We also walked the footpath to Hook Norton, something we can't do in Canada, so loved it. We will thoroughly recommend this wonderful piece of heaven to others!
