- Thank you so much for having us to stay, it was a joy for all of us. We will DEFINITELY come again! We loved the Motte and Bailey, it inspired me to write a story. We love to go on nearby walks. Thank you. Mrs S's daughters, London, 22<sup>nd</sup> October 2016/
- Our experience here last year was fantastic so we decided to come back again this year! This year was even better and we found some hidden gems in many of the nearby villages. Lovely surroundings, beautiful cottage, great weather – everything was perfect. Mr and Mrs R, British Columbia, Canada, 24<sup>th</sup> September 2016
- Thank for staying in this wonderful cottage. Now we know what the term 'cottage' means. We had beautiful weather and could have breakfast and dinner in the garden. Blenheim and Oxford were beautiful. H family, The Netherlands, 27<sup>th</sup> August 2016

- We have had a lovely stay in this tranquil cottage, thank you. So central to all the lovely Cotswolds villages and Oxfordshire countryside. Mrs G and friend, Norfolk and Malvern, 17<sup>th</sup> July 2016
- A beautiful cottage in wonderful countryside setting. It has been lovingly furnished and decorated to keep its cottage charm, whilst having all the modern cons a family need / expect/ Every day I noticed something different – the items in the fireplace, the unusual wall plate in the dining room, the beautiful carved wood in the dining room. The period furniture around the cottage. It was cosy, comfortable and spotless clean. Thank you. S family, Hull , Yorkshire, 8<sup>th</sup> July 2016
- We had a lovely time here in this beautiful house. Living here really takes you back in time! H family, Eindhoven, Holland, 25<sup>th</sup> June 2016
- Thank you for staying in this nice cottage. We had a wonderful week. The weather was splendid! Every day we had dinner in the garden and four times breakfast! We did all kinds of things: made some long walks, visited some lovely gardens. Enjoyed Blenheim Palace, had a great time at Adam Henson's Cotswold Farm Park, made a lot of pictures of the beautiful Cotswolds cottages and villages, and last but not least, we love the beautiful nature of the area. Ms S, Holland 11<sup>th</sup> June 2016
- We have a nice time in Swerford. Very beautiful surroundings, lovely cottage. K family, Holland, 4<sup>th</sup> June 2016
- Our third time at Blue Row. It was an unforgettable holiday for us. Thanks a lot! K family, Munich, 28<sup>th</sup> May 2016
- Beautiful cottage, all the feel and character of the old cottage it is, but with the mod cons we all seem to expect. Only sound that of birdsong. So many feathered friends. Pheasants, robin, nuthatch, blue tits, magpie, jackdaws, great tits, to name a

few. Not to mention a squirrel. Lovely to feel you are away from everything, but still be so close to so many lovely places to visit. Too. Even the weather was lovely. xx Mr and Mr S, Essex, 21st May 2016

- Enchanted by the beauty of Blue Row Cottage and its surroundings. We came from the Harry Potter studios but the magic didn't stop there. We really enjoyed all the walks and visiting the tiny villages where time stood still . The house was a perfect place for our family of five. We enjoyed having breakfast together at the flowered table and we loved the garden . Like others have said, the vibes are good! Thank you for having us.
